Summary

I didnt want to pay Between 5 & 10 dollars for one, so I designed one that I think fits better than the original

0.20 hrs	1 pcs	2.00 mm	0.40 mm	PLA	2 g	Creality Ender 2 Pro

Tags: battery cover ryobi lithium 4v

My Littelest Great Grand-Daughter borrowed one for her kitchen and didnt return it, so i decided to try and design one.

I came up with two versions.

One is Bigger & more Rugged

The Other is slightly smaller and fits better than the original.
